

Name:	
Reading/Question Response Grading Scale	
4	Above Expectation: All level 3 requirements plus additional geographical features or map components that were not required or that demonstrate a higher level of understanding than required.
3.5	
3	Proficient: All required map elements and geographical features present, used correctly, labeled, spelled correctly, and neatly colored and decorated. Map demonstrates understanding of the presented material.
2.5	
2	Basic: One to three map or geographical features missing or one or more labels misspelled. If all required elements are present, one or more is used incorrectly or unlabeled. Work may be legible but difficult to read, or the coloring or decoration shows a lack of effort.
1.5	
1	Below: Missing more than three map or geographical features, missing multiple labels or having multiple misspelled labels. Work may be messy and difficult to read or undecorated. Demonstrates lack of understanding of maps, features, or requirements of the assignment.
